

FOOD AND DRUGS AUTHORITY CELEBRATES WORLD HEALTH DAY 2015

The World Health Organization 2015, was celebrated on the theme "Food Safety" under the slogan "From farm to plate, make food safe."

This year, the Food and Drugs Authority joined several organizations, Institutions and Agencies to celebrate the occasion. The Food and Drugs Authority served on the Planning committee and also organized two workshops on food adulteration and Good Hygienic Practices for Commercial Millers as part of activities mark the celebration. The Authority also organized an adoption meeting for the National Food Safety Policy and participated in the launching of a standard for Traditional Caterers and Mass Caterers.

A presentation on food safety was delivered by Mr. John Odame-Darkwah, Deputy Chief Executive of the Food Safety Division on the topic 'Advancing food safety in Ghana, the need for multi-sartorial collaboration".
