The News Editor

Dear Sir/Madam,

PRESS RELEASE: NO FAKE MALTA GUINNESS ON THE GHANAIAN MARKET

The attention of the Food and Drugs Authority (FDA) has been drawn to an article in circulation on social media of two brands of Malta Guinness one of which is purported to be fake.

The FDA wishes to inform the general public that both products have been duly registered by the FDA and are therefore genuine products.

Furthermore, the general public is to note that one of the products is imported from Nigeria by Guinness Ghana Breweries Limited, while the other is from Togo and was imported by Addra Sari Limited.

The Authority therefore wants the general public to disregard the speculation on social media as indicated above.

The public is encouraged to provide information that is likely to endanger public health and safety with respect to the FDA's mandate through any of the following numbers 0244337235, 0244337251 and 0244337244.

You may also reach the FDA through our HOTLINES (0299802932/ 0299802933), TOLL FREE NUMBER 0800151000 (free only on Airtel and Vodafone), and SMS SHORT CODE 4015 (all networks except Glo).

The FDA wishes to assure the general public that it remains committed to ensuring the protection of public health and safety.
