STRESS RELIEF

EXHORTATION

Philippians 1:6

...being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

COMIC RELIEF

What do you call a can opener that doesn't work?

A can't opener!

DID YOU KNOW?

Hail storms are common. But, some planets have diamond storms. On Saturn and Jupiter, lightning strikes carbon soot and hardens into graphite. Then, the material becomes pressurized during the storm and becomes a diamond. The result is diamond hail.
